

The 4000 Fiber Series Introduction.

Super Fast. Reliable. Connections.

The 4000 series optical connector is one of the smallest harsh environment optical connectors. Featuring a secure quick twist bayonet connection, giving durable mechanical mating.

-25 / 70°C

Wide Operational
Temperature Range

0.2dB

Insertion Loss Max

<0.1dB

Insertion
Loss Average

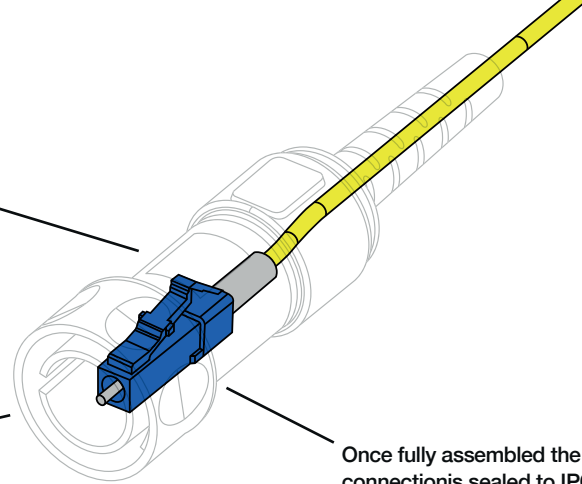

IP68

Protection Rating

With the introduction of LC compatible transceivers & active networking components, its steady growth in the FTTH arena is likely to continue

Flex + Flex In-Line 80mm,
Dia over coupling ring 19.7mm

Once fully assembled the fiber connection is sealed to IP68 & IP69K

Cable Options

Uncabled or cabled from
1M to 450M

Single Mode

Indicated by a blue LC,
blue cable restraint &
a yellow cable

Multi-mode

Indicated by a beige LC,
beige cable restraint &
a aqua cable

Custom

Indicated by a white LC
