

Recommended label options

Standard D1 Labels

For use in LabelManager™ Series

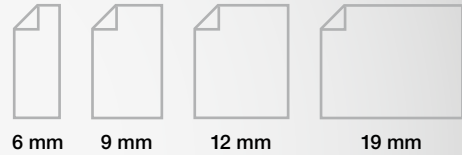

Standard polyester labels for hundreds of tasks around the office or home office, such as filing and storage.

All DYMO® D1 labels are temperature, UV and water resistant with an easy-peel split back for effortless application.

Label Widths*

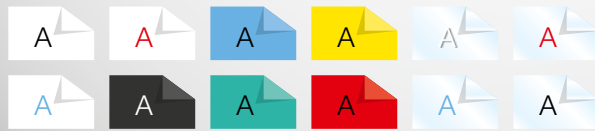

Print labels in the following widths

* Not all label makers print every size shown

D1 Label Colours*

For full D1 label overview, see page 26

* Colour options vary by label width

Paper pre-cut filing labels also available

For LW Labels used in LabelWriter™ printers, see page 29

For full D1 and Industrial label overview, see pages 26-27

LabelManager™ 280

Smart, versatile – with all the right connections.

Prints 6/9/12 mm widths

- Customise labels with any fonts and graphics on your computer through PC or Mac®* connection
- Avoid the cost and waste of disposable batteries with a rechargeable battery pack
