

0G070KN

Gas solder iron Independent 75

Gas solder iron Independent 75 with nickel coated tip
0G072KN

Technical Data

Power Rating in W	75
Heat up time in sec	46
Temperature / max	580
Ausführung Lötspitze	nickel-plated
Diameter/width mm	2,40
Weight in kg	0,250
Operational time with one filling	60
Ignition	Piezo

Accessories
