- Durable design

RS PRO Cat3 RJ45 Coupler, UTP

RS Stock No.: 186-3048

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

From RS Pro, this RJ45 adapter allows the in-line coupling of two ethernet cable assemblies. The RJ45 inline connector allows you to combine patch cords to extend the distance between RJ45 devices and ethernet sockets. The adapter is made from durable ABS resin, and features gold over nickel plated contacts for assured connectivity.
