

20.622

## Addit hardware security drawer 622

Designed to securely store your personal hardware such as a notebook, tablet or smartphone. Mounted underneath a desk, signal and power cables can still be connected through the back and a perforated bottom ensures enough fresh air can reach your hardware.

- Designed to secure notebooks, tablets or smartphones
- Made of steel
- Easy to lock by built-in key lock at the right side
- Easy access by telescopic slides with ball bearings
- Cables are guided through locations at both sides at the back
- Perforated bottom for sufficient airflow to hardware
- Dimensions (w x d x h): 478 x 420 x 53 mm
- For notebooks up to (w x d x h): 440 x 325 x 40 mm
