RS PRO Yellow Male Banana Plug

RS Stock No.: 208-0255

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

Looking to make your own test leads, then RS PRO has the perfect addition in the 4mm banana plug. This plug is the ideal solution for making test leads to your specification. Upon inspection, the plug connector offers high grade plastic insulation with a centre contact made from nickel-plated brass with a screw termination method. It accepts test leads cables with a 4mm diameter and is suitable for any standard 4mm insulated or non-insulated socket.
