RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

RS PRO Disposable Gloves offer:

- Compliant with food handling requirements
- Smooth finish when either wet or dry
- Meets industrial standards for pinholes.
- Ambidextrous fit means you don't have to split a pair to replace a damaged glove.
- Beaded cuff provides extra strength during donning and helps prevent liquid roll back.
- Reduces risks of latex allergies (Type 1 sensitisation) and minimises particulate contamination.
- 100 gloves per box
- Suitable for use in low chemical risk areas, food handling and food preparation below 40°C
- Not recommended for handling hot, fatty foods
