

# VALUE A/V Module (HDMI F adapter, angled)

<b>Product No.</b>	25.99.8203
<b>Manufacturer</b>	VALUE
<b>Manufacturer No.</b>	25.99.8203
<b>EAN (single piece)</b>	7611990118564

Multimedia connection system: computer, video, audio, control or network connections can be easily integrated with the modular multimedia connection system in switch programs. With the unsightly, lying around or hanging cables is now finally concluded. The system is cost-effective and future-proof as it can be expanded at any time to new interfaces.

- Ideal for home offices, conference rooms, classrooms, board rooms
- Wall plate HDMI socket
- For use with HDMI cables
- This convenient wall plate has a female connector on the front and in back for easy installation
- The rear socket is aligned such that a side entry HDMI cable should pass through one of the side knock-outs in a wall cup (25.99.8201)

REMARK: Depending on the used plug size some modification may be necessary, no additional possibility for using another A/V module type in the same wall cup
