RS PRO 200 x 250mm 6 Hole Steel Angle Bracket

RS Stock No.: 397-4982

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

These high-quality, steel angle brackets are L-shaped fasteners designed to connect any two parts at a 90-degree angle. For this reason, they're commonly used to support timber frames or shelves.
