Date	<b>Correct as of 12th May 2020</b>
Brand	<b>C.K</b>
Product	<b>430009</b>
Description	<b>Fibre Optic Cable Stripper 6-25mm</b>
Barcode	<b>5013969299519</b>
Commodity code	<b>8203200000</b>
Country of origin	<b>DE</b>

## Features & Benefits

The Kabifix LK25 is the ideal tool to dismantle optical fibres and coaxial cables without damaging the conductor. You can safely and easily strip all hard outer sheaths and control the adjustment from circular to longitudinal cuts with a swivel lever. Plastic tubes from 6 to 25 mm can also be cut with ease. Its low weight and its compact form as well as its easily interchangeable blade make the FK25 a true companion in both the professional and hobby sectors. ~ For fibre-optic, coaxial and other insulated cables with 6-25 mm diameter ~ For plastic tubes with 6-25 mm diameter ~ Precise setting options: operate with one hand, manual adjustment from circular to longitudinal cuts with swivel lever ~ Exact positioning of cable in the housing socket prior to stripping ~ Easy and safe stripping, even through hard outer sheaths ~ Ergonomic housing made out of high-performance plastic ~ Replacement blade easily interchangeable ~ Lightweight
