RS PRO Engineers Torx Screwdriver Set 9 Piece

RS Stock No.: 499-2408

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

From RS PRO this nine-piece screwdriver set contains popular sizes of TORX head screwdrivers. TORX is a type of screw head with a six-point star intrusion, designed to ensure even more torque can be applied. For this reason, they are often used when extra security is required.
