

## RAMO legending

---

### fields of application

- › Measurement-control-regulation
- › Electrical engineering
- › Mechanical and system engineering
- › Signalling systems
- › Vehicle construction
- › Chemical industry
- › Industrial robots

### description

---

With the EDGE mounting bracket, the RAMO can be mounted on profiles and without additional insulating material housing. This offers freedom in mounting and new possibilities to place the components away from the central machine or device control panel.

### technical data

---

#### › general

Packaging unit	2 pcs.
net weight	47.5 g
MOQ order	2 pcs.
RoHS compliant	Yes
REACH compliant	Yes

#### › mounting diameters

Grid, min.	40 mm
------------	-------

#### › mechanical data

Resistance to force on the side	100 N
---------------------------------	-------
