Lenovo Security Cable Lock

Part number: 57Y4303

- Overview

  The Lenovo Security Cable Lock allows customers to manage physical security access within the enterprise, offices, schools, libraries, or in other public spaces. Cable locks help reduce theft, and increase physical asset security protection for notebooks, notebook docking stations, desktops and flat panel monitors. One piece design for easy use; Long galvanised steel cable with 1.52 m (5 feet) cable to allow for a large security radius; Zinc alloy lock using a stainless steel T-bar lock mechanism design; Small diameter lock mechanism (15 mm/0.20 inches) design allows the cable lock to be used with thin-design notebooks; Convenient Velcro strap tie for cable management for travel or storage; Free replacement keys available for lost lock keys; 3-year warranty

- Tech Specs
