RS PRO 3 Shelf Aluminium Trolley Trolley, 630 x 424mm, 150kg Load

RS Stock No.: 669-3759

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS Pro robust tray trolleys which are suitable for most environments. These trolleys have 3 shelves and are simple and easy to put together. The trolley is designed with handles at both ends of the top tray. Swivel rubber castor wheels ensure that the trolleys are easy to move to transport items. Two of the castor wheels are braked for added safety when the trolley is stationary.
