

Datasheet

Fan Mounted Fan Filter for 60mm Fan, Aluminium, Stainless Steel, 60 x 60mm

RS Stock number [737-4096](#)

Aluminium/stainless filters offer high levels of air passage while efficiently filtering contaminants and shielding EMI/RFI.

Tightly woven stainless corrugated mesh screen (30x30, 3/16* pitch, 1/8* deep)

Filters may be mounted directly onto the fan or to any other housing.
