

Cobra® – QuickSet Hightech Water Pump Pliers

Fully open, push, grab!

Additional fast adjustment on the workpiece by sliding the pliers handle

- combines the proven, reliable locking of the hinge bolt with an additional push function which makes it easier to work in very confined and inaccessible areas
- the adjustment directly on the workpiece is possible by simply sliding the pliers handle
- reliable locking of the hinge bolt with the first workload. The gripping width of the pliers is then fixed and can only be adjusted by pressing the button
- to re-activate the sliding function, the hinge bolt must be released by pressing the push button and the pliers must be completely opened again
- Chrome vanadium electric steel, forged, oil-hardened

87 22 250

- with slim two-colour multi-component sleeves without collar for better handling and easier transport
