

Bulk AC Cords

- All new NUC families shipping Q3'2017 and later include a corded power-brick AC adapter, instead of the wall-wart adapter with replaceable plugs. Each NUC SKU will either include one SKU-specific AC cord, or no AC cord (just the power adapter). Refer to the Ordering Codes table shown in the one-pagers for details on each SKU, and the cord type required (C5 or C13).
- NUC SKUs with US, EU, UK, AU, and CN cords included are immediately available, at order quantity in multiples of 5
- For orders that require IN, AR, BR, JP/TW, and ZA AC cords, the no-cord SKU must be ordered along with the appropriate AC cord below. As with NUC SKUs, the AC cord SKUs also come in 5-packs.
- To determine the AC cord type required, please refer to the product's one-pager in this roadmap deck

| AC Cord Ordering Codes – C5 Type | | | |
|----------------------------------|----------------|--------------|--------|
| Length | Plug Type | Product Code | MM# |
| 0.6 m / 2 ft. | India | AC06C05IN | 962133 |
