

Smart Folio for iPad mini (6th generation) - Black

 apple.com/ch-de/shop/product/MM6G3ZM/A/smart-folio-für-ipad-mini-6-generation-schwarz

overview

Thin and light, the Smart Folio for iPad mini protects the front and back of your device. It automatically wakes up your iPad when you open it and puts it to sleep when you close it. The Smart Folio connects magnetically and you can easily fold it. This makes it a handy prop for reading, typing, watching videos or making FaceTime calls.
