Charge 3 Devices at Once

Two USB-A ports and one USB-C port keep all your devices charged, providing up to 15W of power for your smartphone and two other accessories. Charge at up to 15W when using all 3 ports, adding up to an additional 40* hours of battery life for your smartphone. Binge watch movies, take video calls, and keep your navigation apps running all the way to your destination. An LED light indicates when the power bank needs recharging, and the included USB-A to USB-C cable lets you start charging right out of the box.

Up to an Additional 40* Hours of Battery Life

10,000 mAh of power fully recharges an iPhone 12 twice, and keeps your smart devices running when an outlet is out of reach.

Versatile Power for 3 Devices at Once

Charge your smartphone and other devices with up to 15W of power from 2 USB-A ports and 1 USB-C port.

Charging Cable Included

A USB-A to USB-C cable is included so you can start charging right out of the box, and it can also be used to recharge the power bank when needed.

LED Indicator Light

An LED light tells you the power bank's power status, so you always know when it's time to recharge.
