store.canon.co.uk/canon-zink-2-x3-photo-paper-x50-sheets/3215C002

Partner ZINK™ photo paper with Canon Zoemini and transform your mobile phone and tablet snaps into treasured keepsakes, gifts and decorations. Perfectly sized for social media photos, the photo paper's innovative ZINK™ technology produces instant, smudge-free, water and tear-resistant photos with no ink and no fuss, ideal for printing when out and about. Photos can be displayed almost anywhere – peel off the paper's backing to reveal the sticky side and apply to your phone case, laptop or furniture for instant personalisation.

Benefits

- Create instant, shareable printouts of your favourite mobile device photos – the 2x3 inch ZINK™ photo paper is the perfect size for social media snaps
- No ink, no fuss. ZINK™ photo paper is covered in micro crystals that react when heated, giving you a picture-perfect photo in moments
- Completely compatible with Canon Zoemini, you can capture and print those special moments whenever and wherever you want
- Peel off the ZINK™ photo paper backing to reveal the sticky underside and transform your snaps into personalised stickers, ready to share or put on display

- Get inspired and showcase your photos wherever you want – try decorating your phone case, laptop, walls or furniture, and put a personal stamp on all your belongings
- Perfectly shareable, you can impress your friends with snaps that are smudge-proof, water and tear-resistant, ready to put on display
