

Laptop Backpack ECO 14-15.6"

Lightweight. Removable notebook case. Integrated rain cover. Three great reasons to get the Backpack ECO.

GO GREEN was our call to action in 2013 and saw the introduction of one of the first eco families in DICOTA's portfolio. Although we've grown and evolved, our classical Backpack ECO has stayed with us, making it one of our long-running best sellers. Backpack ECO offers ample storage space for daily business essentials, holds a removable protective case for notebooks up to 15.6" in size and a hidden rain cover stored in a pocket at the bottom of the bag.
