

Dell Docking Station Mounting Kit

 dell.com/en-us/work/shop/dell-docking-station-mounting-kit/apd/575-bbiv/pc-accessories

Clutter-free workspace

Free up desk space with the Dell Docking Station Mounting kit. Simply attach the mounting bracket to your Dell Docking station and mount it anywhere you want – behind a monitor, to a wall, under the desk or to any flat surface – to maximize your desk space.

VESA compatible

The Mounting kit is VESA compatible and works with WD19, WD19TB, WD19DC, and WD15 docking stations. It can be mounted behind monitors with VESA support and is compatible with most Dell UltraSharp and P-series monitors.

Easy Installation

Attaching your docking station to the mounting kit is easy. Follow the step by step guide below on how to attach the mounting kit to the back of your monitor and enjoy the convenience of attaching and removing the docking station whenever you want.
