

Highlights

- Easily position flat panel monitor and keyboard for maximum comfort and productivity
- Distance between monitor and keyboard is adjustable
- Rugged steel construction
- Five-inch (13 cm) LCD height adjustment
- Extremely easy to clean design promotes infection control
- Barcode scanner holder provides easy access to hand-held scanner
- Extends LCD up to 18" (45,7 cm) and Keyboard up to 39" (99 cm); fold equipment back out of the way when not in use. With the keyboard folded up, total system depth is as little as 12.1" (30,7 cm)
- Ergonomic negative-tilt keyboard tray with left or right mouse tray ensures wrists remain in a neutral position during data entry
- Constant Force patented lift technology provides fluid, one-touch adjustment of LCD
- Clean, concealed and neat routing of cables through the expansive cable management system

Ergotron®

200 Series Combo Arm

Telescoping wall mount for display and keyboard

Attach your LCD and keyboard to the 200 Combo and free up space. This wall unit solution features 3-point telescoping motion, providing greater reach to bring the system where it's needed.

The 200 Combo holds a monitor, bar-code scanner, keyboard, wrist rest and mouse on the same arm. Arm extends and retracts; fold-back out of the way when not in use. A unique cable management system conceals and organizes cords and makes cleaning a snap!

45-230 LCD Size	Weight Capacity*	Lift	Tilt**	Pan	Rotation	VESA
24"	6–18 lbs 2,7–8,2 kg	5" 13 cm	30°	360°	90° P/L	MIS-D

* Weight Capacity: display = 6–18 lbs (2,7–8,2 kg); keyboard, mouse and barcode scanner = 5 lbs (2,3 kg)
 **Monitor up/down tilt = +25°/-5°
