Energy label

The image shows an energy label for the GLAMOX FL-101 luminaire. At the top left is the GLAMOX logo, and at the top right is the model number FL-101. Below the logo is a small icon of the luminaire. To the right of the icon, the text reads: "This luminaire is compatible with bulbs of the energy classes:". Below this text is a vertical scale of energy classes from A++ to E, represented by colored arrows pointing right. A blue bracket on the right side of the scale groups the classes A, B, C, D, and E, with a small lightbulb icon next to it. Below the scale, the text states: "The luminaire is sold with a bulb of the energy class A", with a green arrow pointing to the 'A' class. At the bottom left is the number 874/2012, and at the bottom right is the European Union flag.

GLAMOX FL-101

This luminaire is compatible with bulbs of the energy classes:

A++
A+
A
B
C
