

HP 150 Wired Mouse

Sometimes everything just clicks

This precise and comfy mouse is designed to get you clicking quickly and keep you productive all day, wherever your journey takes you.

Precisely right

With its 1600 DPI optical sensor, this mouse works on almost any surface with astounding accuracy. Stash it in your bag with your laptop and you'll be good to go.

Click real quick

Get to clicking real quick with USB plug-and-play. It's as easy as opening the box.

Looks good, feels good

Elegant ergonomic design gives you all-day comfort so you can get it all done. It feels so natural, you'll forget you're holding it.

Lefty or Righty

Whether you're a righty, lefty, or bothy, this mouse is ready for however you click.

HP 150 Wired Mouse

Featuring

Control the scroll

Three buttons in one mouse. Left click, right click, or center click on the dual-function scroll wheel. You've got all the control you need in one fingertip.

Peace-of-mind coverage

Rest easy with an HP standard two-year limited warranty.¹
