DATATRAVELER® MAX

Unparalleled Performance

Kingston's DataTraveler® Max is a high performance Type-C®¹ USB flash drive leveraging the latest USB 3.2 Gen 2 standard to deliver record-breaking read/write speeds up to 1,000/900MB/s². Designed with portability and convenience in mind, the unique ridged casing protects the connector when not in use and is easily moved with a single motion. DT Max delivers premium performance and expanded capacities up to 1TB³ making it the ideal solution for transferring and storing large digital files such as HD photos, 4K/8K videos, music and more.

DT Max is backed by a limited five-year warranty, free technical support and legendary Kingston reliability.

- › Advanced USB 3.2 Gen 2 Type-C®¹ USB
- › Unique ridged casing with keyring loop
- › Up to 1,000MB/s² read speeds
- › Capacities up to 1TB³
