

G560

LIGHTSYNC PC Gaming Speakers

SOUND AND LIGHT DRIVEN BY GAMES.

Experience new levels of intensity with Logitech G560 LIGHTSYNC PC Gaming Speakers. This 2.1 speaker system reacts to in-game action and music. Customise effects across nearly 16.8 million colours with four lighting zones: front-facing and rear ambient projection. 240 watts peak (120 watts RMS) power feeds an explosive, down-firing subwoofer and two satellite speakers with wide-angle drivers for clear, pure sound. DTS:X Ultra engine renders 3D surround sound from PC games and music, delivering positional audio for heightened realism. G560 connects to and mixes multiple sources: USB, 3.5 mm and *Bluetooth*®. Seamlessly switch between up to 4 devices with Logitech Easy-Switch™.

WHAT'S IN THE BOX
