

## Action Cam | HD 720p | Waterproof Case

### General information

Capture all the action from a unique perspective!

Our Nedis® action camera is a real lightweight so attach it to nearly anything with the included mounts and you will hardly notice its presence. That is, until you watch your footage in sharp HD image quality. It will immerse you in the thrill of the moment, over and over again...

And, having the option to store your recordings on MicroSD cards of up to 32 GB, you hardly have to worry about how much memory there is left.

Perfect for all outdoor activities, essential for extreme sports.

### Features

- Record video with a maximum resolution of 720p
- Ideal for capturing water activities like swimming, diving and surfing
- Get closer to the action and see what you are recording
- This box includes numerous accessories to get the most out of your action cam
