

PRF 101 Cold spray Green

NON-FLAMMABLE FREEZE SPRAY

Technical information

Chemical substance:
1,3,3,3-Tetrafluoropropene

Does not contain dangerous ingredients according to Regulation (EC) No. 1907/2006

Freezes down to -55°C

HFC-free propellant

Applications

Climate-friendly cold spray to troubleshoot electrical equipment. Cold spray is also suitable for removing rust, loosening stuck metal parts and shrinking bearings. Freezes down to -55°C. The non-flammable product is safe to use when electrical appliances are switched on.

Directions

Do not shake before use. Use the extension tube for optimal dosage and press in short bursts. Works upside-down. Do not expose to temperatures exceeding 50°C. Keep the product away from direct sunlight.

Shelf life is 36 months from the time of production.

Product information

Canister size: 520 ml
Net weight: 300 g
Package: Aluminium aerosol can
Sales unit: Carton/12 cans
UFI: AV1Y-18SN-U006-XRUC
UN number: 1950
Transport class: 2.2
Manufacturer: Taerosol Oy, Finland
Manufacturer's product code: PE101G52N
