

PRF Citrus Power

EFFECTIVE INDUSTRY CLEANER

Technical information

Chemical substance:

D-limonene, Hydrocarbons C7, n-alkanes,
Hydrocarbons C10-C13

Propellant: Propane, Butane

Applications

PRF Citrus Power is developed for industrial applications to remove grease, oil, bitumen and silicone-based contaminants. Effectively removes glue and adhesive residues. The high pressure enhances the effect of the product and makes it pleasant to use in tight spaces.

Directions

Shake before use. Spray from a distance of 20-30 cm. Leave it on the surface for 10-20 seconds and repeat if necessary. Finally, wipe with a dry cloth. Always use a clean and soft cloth on coated surface to avoid scratching. Works upside down. Citrus Power is suitable for metal and plastic surfaces. Does not damage painted surfaces. Shelf life is 36 months from the date of manufacture.

Ecological information

Recyclable aluminium canister. Ozone-friendly propellant.

Product information

Product code: PICIT52

Net volume: 400ml

Package: Aluminium aerosol canister

Sales unit: Carton/12 cans

UFI: JJ40-508J-300K-4H2H

UN number: 1950

Transport class: 2.1
