

Strain Relief Over Boots

Strain Relief Over Boots (PS2*#100)

Features

- Designed to minimise excessive strain on RJ45 connections
- Extended hood prevents latch snagging other cables
- Quality materials and intentional weak point in hood enable continued ease of latch depression over time
- Suitable for cable diameter size: approx 5.5mm (PS2*#100), 6.5mm (PS2*6#100) and 8mm (PS2*8#100)
- Available in a range of colours and transparent

Specifications

- Weight: 198.5g (bag of 100)
- Material: PVC

EAN: Available on request

Packaging: Bagged in 100s and then in bag of 500

Commodity Code: 85369010
