

High Speed HDMI Cable with Ethernet HDMI Connector - HDMI Connector 5.00 m Black

General information

High Speed HDMI Cable with Ethernet with Redmere chipset for a superior 3D functionality, digital audio and a crystal-clear 4K image for cable lengths up to 5 metres.

Features

- 24k hard gold plated contacts for an excellent protection against corrosion.
- The certified ATC Redmere HDMI™ chipset guarantees an error-free data transfer over long HDMI cables.
- Unique Profigold metal connector for a reliable connection and a perfect signal conductivity.
- Perfect for use with surface-mounted LED or Plasma screens due to the extremely thin cable.
- The short HDMI connector is ideal for connecting multiple cables with DVD or Blu-ray players.
- The flexible outer cable jacket avoids cable twisting and cable fracture.
