

# Mini Quick Wire Panel Mount Thermocouple Connector

## Features

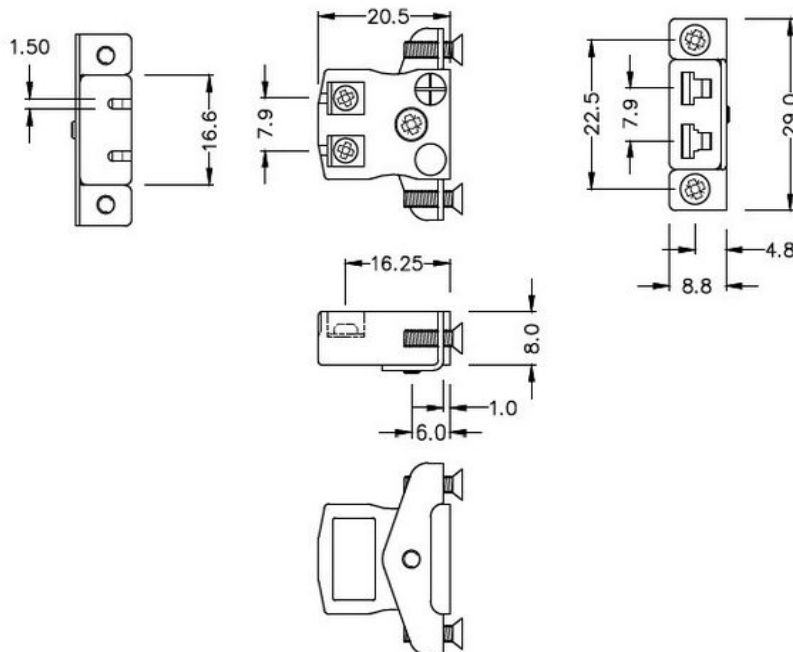

- The connector features a robust stainless steel bracket, providing excellent resistance against corrosion and ensuring long-lasting performance in challenging environments
- Designed for ease of use, this connector allows for quick and secure wire connection
- Ensures accurate and reliable temperature measurements in a wide range of industrial applications

## Specification

Sensor Type	T
Connector Size	Miniature
Connector Type	Quick Wire Socket with SS Bracket
Colour	Brown
Max. Temperature	220 °C
+Positive Contact -	Cu
Negative Contact	CuNi
Standards Met	BS EN 50212:1997; RoHS
