

# Standard Panel Mount Thermocouple Connector

## Features

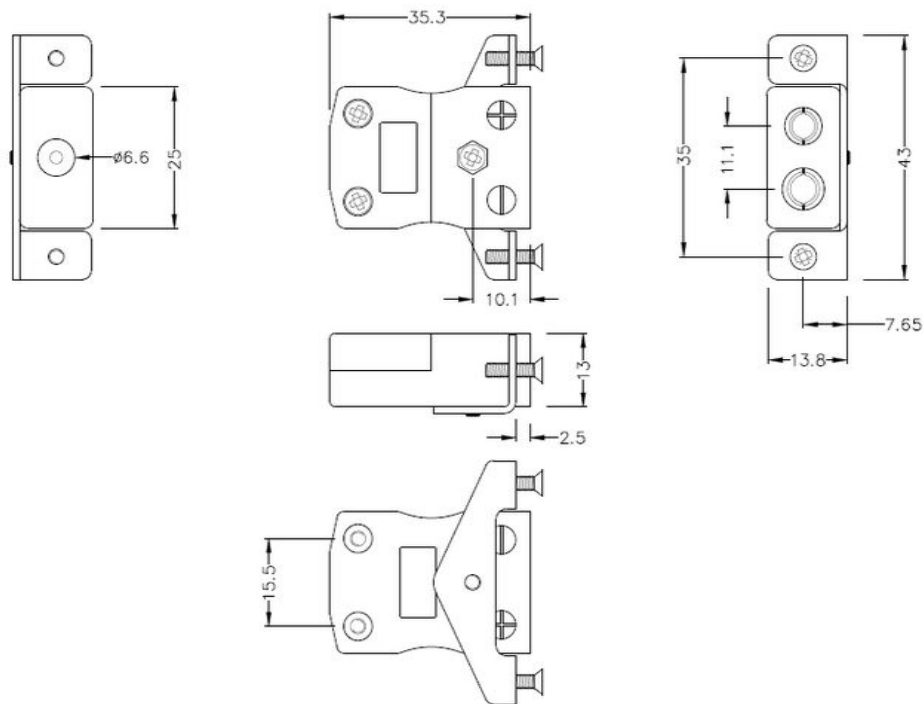

- Intended for use in more industrial processes but can be used in all applications as desired
- Sturdy stainless steel bracket provides a durable and secure mounting solution for enhanced stability
- Standard panel mount design facilitates easy installation and integration into existing systems or equipment setups

## Specification

Sensor Type	K
Connector Size	Standard
Connector Type	Socket with SS Bracket
Colour	Yellow
Max. Temperature	220°C
+Positive Contact	NiCr
-Negative Contact	NiAl
Standards Met	BS EN 50212:1997; RoHS
