

Modular Plug Housing for RJ45

Features

- Blocks dust from entering into the connection and causing jams or heat warping
- RoHS Compliant
- Ideal for use with ethernet networks in industrial applications and other harsh environments, providing that extra amount of electrical shielding

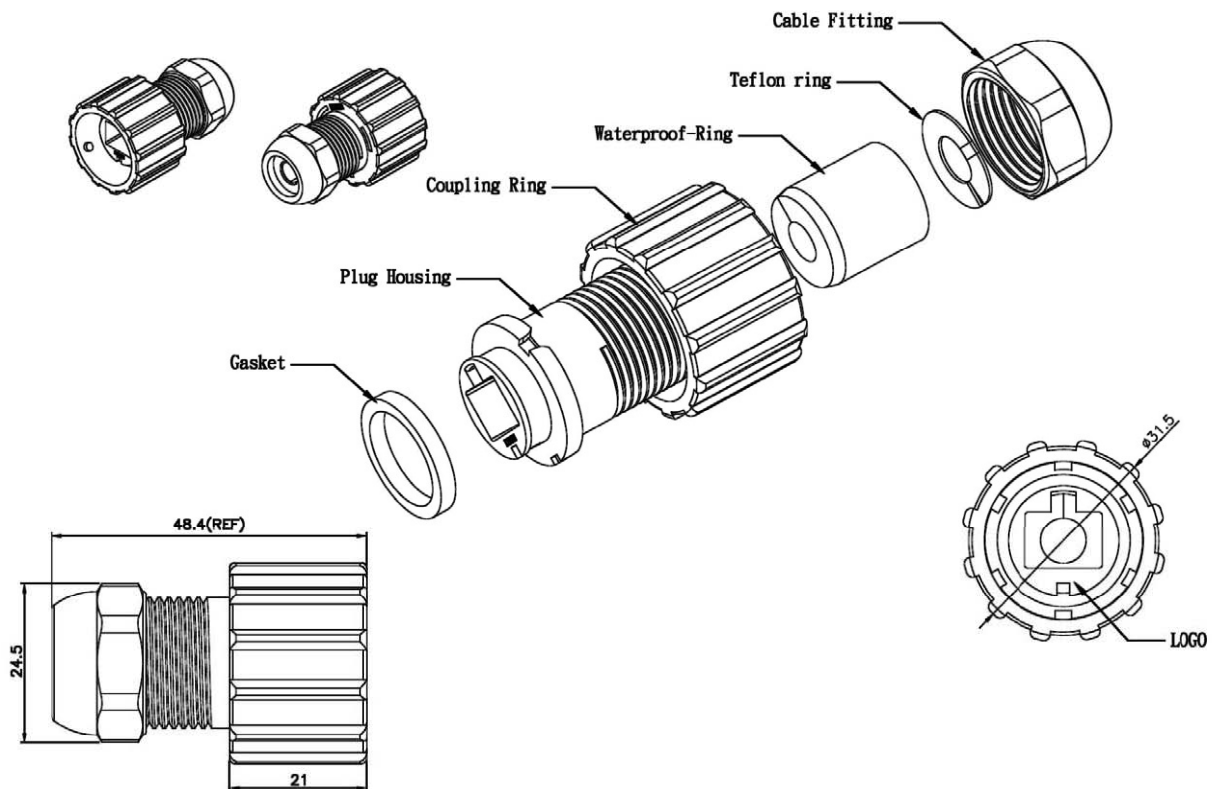

Specification

Colour	Silver
Contact Material	Nickel Plated
Case Material	Copper Alloy
Cable- \varnothing	5.5 ... 7 mm
Plug Standard	RJ45
Protection Rating	IP67
Pole	8P8C

Material Specification

Gasket	Silicone
Plug Housing	Zn Alloy 3, Nickel Plated
Coupling Ring	Zn Alloy 3, Nickel Plated
Waterproof-Ring	Silicone
Cable Fitting	Copper Alloy, Nickel Plated
