

## Features

- Easy to use
- Three vials - 45°, 90° and 180°
- Strong & lightweight aluminium body
- UV resistant
- Milled surface for improved precision
- Shockproof: rubber end caps
- Provides 0.5 mm/m accuracy
- For precision levelling measurement

## Specification

Length	800 mm
Thickness	1.5 mm
Number of Vials	3
Accuracy	0.5 mm
Frame Material	Aluminium

### Art. Nr.

**RND 550-00416**
