

Features

- Impact-resistant, anti-scratch, anti-UV
- Protects eyes from damage
- Fully fits to face and eyes
- Fitted with a flexible PVC frame for ultra light and comfortable wear
- Ideal for tough work environments

Applications

- Construction
- Engineering
- Laboratories
- Light duty maintenance and repair work
- Airports
- Working at sea

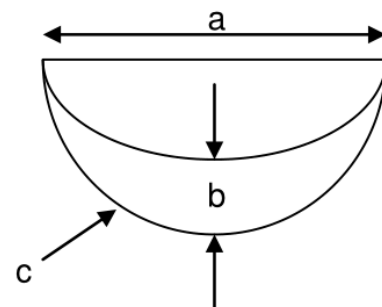

Specification

Lens Type	Anti-Scratch
Lens Colour	Clear
Filter Material	Polycarbonate
Frame Material	PVC
Weight	67 g

Vertex Power

Front Surface	Horizontal -0.2 – Vertical +0.1 dpt
Back Surface	Horizontal -0.3 – Vertical -0.3 dpt

Product Size	a = 162 mm b = 72 mm c = 311 mm
Middle Thickness of the Filters	1.2 ± 0.1 mm
Thickness in Nasal Area	1 ± 0.1 mm
Peripheral Thickness	1.2 ± 0.1 mm

Art. Nr.
RND 600-00237
