RS PRO Dust Cap for use with RJ45 Connectors

RS Stock No.: 2628377

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

This range of dust covers are designed to fit RS Pro Feedthrough connectors. They simply push into the front of the connector to reduce ingress of dust and dirt. They fit both our plastic and metal feedthroughs. There is a small hole in the front to allow covers to be tied together if necessary. Standard colour is Black.
