RS Stock No: 2862833

RS Professionally Approved Products bring to you, professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Aux Cables

Product Description

Our standard range of audio cables are assembled with Gold flashed connectors for a higher quality finish with anti-corrosive properties. The 3.5mm to left/right audio is ideal for connecting 3.5mm stereo equipment to equipment with RCA connectors. The cable is constructed with 3.5mm stereo jack to twin RCA audio. The contacts are Gold flashed for a higher quality connection.
