

SMD Tweezers

Anti-Acid/Anti-Mag SS (SA)

SM103.SA

Tips: handling, positioning at 45° angle. OAL: 115mm

SM107.SA

Tips: positioning flat devices, double bent. OAL: 120mm

SM111.SA

Tips: positioning 5mm monolithic chip capacitors, grooved. OAL: 115mm

SM116.SA

Tips: grooved, straight, vertical positioning of cylindrical devices. OAL: 115mm.

SM104.SA

Tips: handling, positioning sot packages, monolithic chip capacitors, straight. OAL: 120mm

SM108.SA

Tips: positioning, soldering 1mm wide components, straight. OAL: 120mm

SM115.SA

Tips: holding, positioning 1mm cylindrical devices, grooved at 30° angle. OAL: 115mm

SM117.SA

Tips: positioning sot packages at 30° angle, flat, squared. OAL: 120mm
