

### Shine like a Jewel

Featuring with the geometric diamond-cut pattern carved on the glossy translucent body, Blaze B30 shines like a luxurious jewelry, and is able to reflect the sparkle through the different source of light. Blaze B30 is also built-in with the LED indicator, and the light will illuminate through the outer case, indicating the data transfer status during use.

### USB 3.0 Ultra Fast Transfer Rate

Outstanding read/write speed is coupled with the latest USB 3.0 interface feature a 5Gb/s bandwidth which is 10x the bandwidth of a USB 2.0 interface. It saves users precious time backing up to and from the hard drive when transferring mass data files.

#### Features

- Classic diamond-cut pattern for a more stylish look
- Cap-less design for easily use and store
- Four-way positioning rotating Patents
- Great reliability, rotating over 5000 times
- LED indicates the usage status
- SP Widget free download provided
- Recuva File Recovery provided, allowing recovery of erased files, such as digital photos, documents, music and videos

### Swivel for Easily Use and Store

Blaze B30 incorporates the 360 degree capless swivel design with the stainless metal structure. This allows users to use and store with just a thumb push. Blaze B30 also enhances its durability of the swivel axis with the Four-way positioning rotating technology which avoids any damages or debris on the USB connector from loose axis.

### SP Widget free download, providing 7 major back-up and security function

1. "My document" synchronization/ backup.
2. Sync or backup other folders.
3. Sync or backup "Outlook/ Outlook Express".
4. Copy and encryption your data into Pen Drives.
5. Download Symantec Norton Internet Security 60days trail for free.
6. Sync or backup "My Favorite".
7. Lock your computer by password, time or Pen Drive..
