

# Inspection Date Labels B-500

Inspection date labels can be used wherever a frequent and regular inspection of machinery and equipment is required. One example is the indication of the inspection date of the fire extinguishers. Simply mark the label with a hole punch (available from next page) and apply wherever you need it!

**Material:** (B-500) Vinyl cloth

**Packaging:** 1 pack of 25 cards

**Size**

Labels per card
Ø 15 mm 24 Labels per card
Ø 25 mm 10 Labels per card
Ø 35 mm 5 Labels per card
