

Pole Mount Bracket TV-HP400 (v1.0R)

- Pole mount bracket for poles up to 12.7 cm (5 in.) in diameter
- Compatible with TRENDnet Speed Dome series network camera
- Rugged powder-coated aluminum construction
- Camera suspension point during installation
- Mounting hardware included

TRENDnet's Pole Mount Bracket, model TV-HP400, installs a TRENDnet Speed Dome series network camera on a pole with a diameter of up to 12.7 cm (5 in.). This rugged powder-coated aluminum mount holds a camera 30 cm (12 in.) off of a pole, offers a suspension point from which to hang the camera during installation, and comes with mounting hardware.
