Frequently Bought Together

Overview

Targus® Ergo Laptop Stand infused with Antimicrobial Protection raises your laptop to eye level, improving posture and comfort whether working from the kitchen table or a desk in the office.

DefenseGuard™ Antimicrobial Protection

A continuous cleaning innovation designed to prevent and eliminate the growth of bacteria. It delivers a durable, cleaner surface. Proven to protect against germs it won't wear off or wash off, it is designed for life. Testing of Targus materials including the JIS Z 2801 standard at independent laboratories has demonstrated 99.9% reduction of Staphylococcus aureus (Staph Infection) and Escherichia coli (E. coli). BPR and EPA compliant, silver antimicrobial agents have been infused into Targus DefenseGuard™ products for all-around protection, neutralising bacterial threats to your product for its lifetime.

Ergo-Comfort

To alleviate neck strain and keep laptop screen at eye level, the simple ergonomic design can position your laptop at 3 different angles, with the freedom to tilt your laptop screen to suit.

Folds Flat

Super practical, the stand folds flat so you can tidy it away at the end of the working day or slip it in your bag to carry home with you.

Universal compatibility

Suitable for use with any size laptop.
