Overview

Equipped with multiple pockets and a roomy main compartment, the Targus 15-16" Work+™ Expandable 28L Daypack helps you prepare for a productive workday while keeping your gear organised and protected.

The SafePort® Sling Protection System helps keep your laptop secured, while its water-resistant materials help protect your tech from the elements and keep your belongings intact.

Designed to make the most of your day, this backpack offers several pockets to store your accessories and other essentials, including top, side, and hidden lumbar pockets for quick access. The pack also offers a top- and front-loading feature, an external footwear compartment, front and side grab handles, a trolley strap so you can secure it to your rolling luggage, and a stretchable loop for your jacket.

Sleek and Spacious

With a quick unzip, this unique bag increases its capacity by 33% to hold your essentials and more. A change of clothes or some extra gear, this bag has room for it all.

Stay Hydrated and Stay Organised

This bag was designed with pockets aplenty optimal organisation. No need to dig to the bottom of your bag for a drink, keep your water bottles in one of its two designated pockets, or have snacks handy in an exterior pocket for that midday lull.

Whether you open from the top or from the front, this bag allows easy access to your laptop and other accessories to help you make the most of your day.

Quarantine Your Shoes

Hitting the gym before work or the dance floor after? Keep your spare set of shoes separated from everything else in your bag in its lined, ventilated side compartment.
