Frequently Bought Together

Overview

Form-fitting and ultra-lightweight, the 13-14" MultiFit Sleeve with EcoSmart® protects your laptop from everyday scratches or debris – whether you carry by hand or slip into another bag. The exterior protects from the dust and dirt, while the non-scratch interior lining helps keep your laptop clear of scuffs and scratches. Slim and sleek and made to fit most 13-14" laptops, this sleeve is great for school or working at the closest café, having the flexibility you want and the protection you need.

The Bottle: Reborn

This bag was designed with the environment in mind. By using GRS-certified recycled materials, 8 plastic bottles were kept out of our waterways and landfills, shredded into small flakes, re-polymerised into plastic chips, then heated and spun into yarn that was woven, and sewn into the fabric of this EcoSmart bag.

Expanding Capacity

Lightweight and sleek, the MultiFit range is designed to adapt to fit your tech. The innovative neoprene-like material can stretch to fit screens up to 14” in size, allowing you to keep your devices protected with ease.
