

V7 Deluxe USB Mono Headset with Boom mic

HU411

SKU: 6UR832

Clarity, Comfort and Affordability

For people who spend most of their day on the phone, a comfortable headset can make all the difference. The stylish V7 HU411 Mono Headset is lightweight yet durable and easy to use. Connect to a PC or Mac® through Plug-and-Play USB and convenient inline volume and mute control.

The HU411 Mono Headset includes premium features like echo cancellation, a noise-cancelling mic, and digital signal processing to reduce outside noise.

Designed with comfort in mind, the adjustable padded headband and leatherette ear pad are perfect for all-day wear. The omnidirectional boom microphone provides 300° of rotation suitable for right or left side use.

Suitable for use with Skype, MS-Teams, and many other popular teleconferencing applications.

- Lightweight; Comfortable design
- Memory-foam Padded Headband & Ear pad
- 300° Rotatable Noise Cancelling Boom Microphone
- Plug-and-Play USB Connector with In-line control for Volume & Mute
