Overview

Backup in style with this beautifully designed portable hard drive. The brushed aluminium drive has a USB 3.2 Gen 1 connection for data transfer speeds of up to 5Gbps. The high speed and high capacity of the Store 'n' Go ALU allows you to take your digital life with you, wherever you may roam.

USB-C Adapter

The hard drive comes with a Micro-B to USB-A cable for connection to standard USB ports. For those with the latest USB-C laptop with no USB-A ports, a USB-A to USB-C adapter is also included. This makes the hard drive compatible with different Macs, PCs and laptops and transferring data between them on the Store 'n' Go ALU simple and easy!

Sleek and Slim

The slim brushed metal enclosure is only 9 mm thick and weighs only 150 grams. It is tough, lightweight and brings a look of sophistication next to any Mac or PC.

Nero Backup Software

Nero Backup software* is bundled with the drive to make backing up that much easier. Schedule automatic backups to ensure that all important files are backed up regularly.
