

Installation box for wall bracket IPCB42500/IPCB42550

Art. no. TVAC31460

Page 1 of 1

- For protecting wiring both indoors and outdoors
- Sturdy aluminium construction
- Colour: white

The Installation Box is an optional accessory for the IP Mini Dome IR 1080p LAN/WLAN (IPCB42500/IPCB42550).

If the Wall Mount TVAC31450 is fitted together with the Installation Box, the latter will house the connecting cables, providing protection and insulation for the cabling against moisture both indoors and out. This provides the best possible level of protection for the cable, ensuring it is not affected by environmental factors or tampering.

Technical Data:

Dimensions	130x130x50 mm
Width	130 mm

Height	50 mm
Length	130 mm
Net weight	0,96 kg
