

Verit

A versatile and flexible task light

LUXO

Verit is a versatile and flexible task light. The shade can be adjusted and set to almost any position. A high-frequency electronic ballast offers flicker-free illumination. The spring balanced arm ensures that the head will remain parallel to the work surface, and provides for easy movement.

Standard version with table clamp. The solid and elegant table base is an accessory. Colours: Black or white.

The importance of the personal task light

Follow this link to learn more about the importance of good workstation lighting, and how a task light can help you achieve a better working environment.
